## Donate to Music and Medicine:

Do you have a beautiful, gently used musical instrument that you are not playing? It can be expensive and difficult to transport an instrument to school. **By donating a gently used brass, woodwind, percussion or stringed instrument, you can make sure that one of our medical students can continue their musical life while studying here at Weill Cornell.** We are happy to accept any new instruments or ones in good working condition. **We will provide the donor with an official tax receipt that describes the item(s) given.** **Currently, we are specifically seeking a cello, an electronic keyboard, and a drum-kit!**

Hope everyone has a great August!
